DO YOU KNOW THE LEGEND of SUPERMAN?

He was born on Krypton. Shortly before it exploded his parents sent him to earth in a rocket where he was adopted by Ma and Pa Kent who named him Clark Kent.

They soon learned he had super-strength and could fly like a bird. As he grew older, the amazing lad fought for justice in the role of Superboy.

To hide his identity, Superboy posed as timid Clark Kent. His best friends were Pete Ross and a super-dog from Krypton named Krypto. When he grew up, Clark went to work for the Metropolis Daily Planet where his editor was Perry White. A reporter, Jimmy Olsen, became his best pal, and a reporter, Lois Lane, fell in love with Clark at first sight!
